REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

During the 2012-2013 school year our mantra was "Great Things and Great People Come from Lower Richland High School." This mantra was evidenced by the success of our students in the classroom, their success in extracurricular activities and the improvement of established programs. Lower Richland High School moved into year 2 of the School Improvement Grant with a strong focus on infusing STEM in all content areas on campus. Our partnership with the S2TEM Centers and successful Career Fair allowed students to be exposed to careers and opportunities related to Science, Technology, Engineering, and Mathematics. Academically, Lower Richard High School is an IB World School offering the IB Diploma, IB Career-related Certificate (IBCC) Programmes, and Advanced Placement (AP) Courses.. Lower Richland is the only school in the State of South Carolina to offer the IBCC Programme which partners with academic programs such as Project Lead the Way and the Health Sciences. Both IB and AP students are engaged in rigorous courses that afford them the opportunity prepare for and to earn collegiate credit.

Lower Richland promotes numeracy and literacy throughout the school in conjunction with district and High Schools That Work (HSTW) requirements. This year we had our 3rd College Application Day where all seniors applied to at least one college or university. Colleges and Universities from around South Carolina assisted our students with applications and some students were even admitted on site. We are delighted to announce that our graduates received over 6 million dollars in scholarships.

Students at Lower Richland High School are attached to the local community through numerous service opportunities. Our cheerleaders, Teacher Cadets, Delta GEMS, Student Government leaders and JROTC participated in numerous community service activities at many different venues. Our JROTC won the Superintendent's Cup award for the 2nd year in a row which classifies them as the #1 unit in Richland County School District One.

Lower Richland students excel in the area of extra-curricular activities with the Varsity Girls' Basketball Team winning the Region V 3A State Championship, a 7th title for Coach Stroman, and numerous athletes excelling in Track & Field. Lower Richland CATE students hold state offices in Skills USA, HOSA and FCCLA and attend national conferences. Lower Richland High School received an Exemplary Rating for effectively implementing Positive Behavior Intervention and Support strategies on campus.

Lower Richland's Band Booster received the Richland School District One's Partner of the Year Award. Our Parent Teacher Student Association continued to sponsor scholarships for student members while the School Improvement Council provides assistance to the administration in outlining school goals and our Booster Clubs provide additional financial support for student activities. Our student first mindset sets the tone for all collaboration.
